

**Bernese Mountain Dog Club of Oregon**  
**Draft/Carting Clinic**  
**Saturday, March 27 2010 two sessions (9am-noon & 1pm-4pm)**  
**Oregon City area, location TBA**

The Bernese Mountain Dog Club of Oregon is sponsoring an all breed draft/carting clinic for people who want to teach their canine companion to pull a cart and maybe even work toward a drafting title. Harnesses, carts and training equipment will be available to use the day of the clinic, however, if you have your own drafting equipment, please bring it with you. Along with your dog we would like each person to bring along a helper to assist them as they go through the training process. This is a must, so please make sure you have someone to help you and your dog. Your helper will assist you in the actual training exercises and is a critical part of the training process. Each team will receive an instruction booklet, a lecture going over the carting basics and hands-on training/practice sessions with the dogs. Our clinic will be held indoors, so rain or shine, the training can go on! We will offer morning or afternoon sessions, so note your preference and we will "try" to accommodate your choice. Please fill out the application and send to the address on the form. Questions? Call Molly at 541.490.1827 or email [mollysearcy@earthlink.net](mailto:mollysearcy@earthlink.net)

*This clinic has a limited amount of room and will fill fast, so don't delay entering.*
